

Eula (End-User License Agreement)

Your Agreement to License

Please read this document carefully. This is a legal agreement between you (either an individual or an organization) and the shDataRescue, product developers. This agreement abolishes any prior version License and governs your use of the software.

But if you are not accepting the terms, kindly 1. Do not download, install, copy, access or use this software; and 2. Immediately return this software and proof of entitlement to the party from whom you acquired them. License grant (a). Subject to the terms and conditions of this agreement, shdatarescue solutions hereby grants to you a non-exclusive, non-transferable right to use this software for your own internal business operations. Additionally, rights are not granted to you for making an update and upgrade to any software. (b). The software, including, without limitation, its object code and source code, whether or not provided to you, is strictly confidential to shdatarescue solutions.

Scope of the license

The company (or its licensors) owns exclusively or reserves all - and you may not perform any - right, title, and interest in and to the software, including, without limitation, all intellectual property rights in and to the software, except of the extent of the limited software use license granted to you in this agreement.

Anyone may use the free or trial version of our products. Before deciding upon the purchase, you may use the free or trial for evaluation. After the trial is expired, you should purchase the full version of the software.

Once registered, the user will be provided the exclusive license to use our products on one computer, for legal purpose, at a time. You need a license for a machine on which the program is installed. The registered product cannot be rented or leased but can be transferred permanently, if the person who is receiving it agrees to the terms of the license. If the software updates, the transfer must include the update and all previous versions.

Our products free and trial versions may be freely distributed if the distribution package is not modified. No person or company may charge a fee for the distribution of our products free or trial versions without written permissions from the copyright holder.

Warranty Disclaimers and Liability Limitations

Our products are distributed "AS IN". No warranty of any kind is expressed or implied. You use at your own risk. The author will not be liable for any kind of data loss, damages, loss of any profit, or other kinds of loss during using or misusing the software.

You may not use copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed program, or any subset of the licensed program, except as provided in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license and may result in criminal or civil prosecution. The software is owned by shdatarescue and is protected by copyright laws and treaty provisions.

General software support

Support will be provided by e-mail and only on the current version. Queries regarding the installation and use of the software should be submitted by e-mail to support@shdatarescue.com. If you have questions about buying or updating our products, please Email us at sales@shdatarescue.com. Requests for additional features and enhancement should be submitted by e-mail to support@shdatarescue.com. We will attempt to implement all reasonable requests but is not required to implement it.
